

ASQ - Akron / Canton Section 810 - Program Calendar (2002-2003)

- **September 19, 2002**

For our dinner meeting in September we are trying something new by attending the following event sponsored by Akron ASME.

Tom Murry of Engineering Resource Group will present motorsport design tools, development tools and methods, wind tunnel testing for aerodynamics and a discussion on the rise and fall of motorsport companies throughout the past several years. Several societies have been invited to attend this event.

ASQ - Akron/Canton will have a table to display the benefits of our section. Stop by the ASQ table so your attendance can be taken and your recertification sheet signed. With the combination of a knowledgeable speaker on motorsport design, race cars on display, a steak dinner, and attendance from several societies, this should be a great event ASME Social Period:

5:30PM, Dinner 6:30 PM, Presentation: 7:30 PM. \$20 Adults, \$5 Students

Location: Wingfoot Lake Park. A map to Wingfoot Lake Park is included in the August and September Tally sheet.

- **October 17, 2002**

Technical Clinic: Design FMEA - Paul Gunderson (Ford Motor Company)

Dinner Speaker: Successes and Pitfalls of Lean Manufacturing - Brad Hill and Kelly Ott (Parker Hannifin)

- **November 1, 2002**

Fall Conference - Supplier Development. Speakers: John Sedlak, Smithers Quality Assessments, Debra Detwiler, Smithers Management Consulting, Micki Ellis (Malco Products), and a presentation from IQS. Registration and continental breakfast starts at 7:30 a.m. Conference starts at 8:15 a.m and ends at 4:00 p.m.

Part-1 of the conference will address the issues of defining requirements, expressing requirements, qualification of suppliers, performance metrics, problem resolution, and miscellaneous actions. There will be a good deal of audience participation throughout the presentation.

Part-2 will address special supplier management software, the special needs of the automotive sector, sources of financial aid for developing suppliers, and some humorous advice for the hectic traveler.

Location: Sheraton Suites (1989 Front Street, Cuyahoga Falls, OH).

- **November 21, 2002**

Technical Clinic: Customer Satisfaction in Transportation: How studies and improvement teams not only improved customer service but also the bottom line - Lee Neal, Miller Transfer and Rigging

Dinner Speaker: Evidence for "Top Management" requirements for ISO 9001:2000. John Sedlak, Smithers Management Consulting.

Location: 356th Fighter Group

- **December 12, 2002**

Plant Tour: 6:00 - 7:00 The Hoover Company, 7:15 Christmas Dinner: 356th Fighter Group. Come join us for a tour of The Hoover Company and then afterward for Christmas Dinner at the 356th Fighter Group.

The tour is limited to 50 people so sign up early for the event so we can provide a list of attendees to Hoover by November 30th.

Location: Hoover and then 356th Fighter Group

- **January 16, 2003**
