Imagine Engineering!

CRSPE President Elect Jeff Kennedy is pictured below at St. Peter's Elementary School and Springmill STEM Elementary School in Mansfield engaging in activities with second graders to the world of engineering. The Imagine Engineering! program targets youngsters to develop skills in math and science so all children can realize their potential for an engineering educational career path later in life. The Program also includes a coloring contest for second graders. CRSPE members Melinda Chase, Jeff Kennedy and Jennifer Schumacher participated in this activity.

ALL-OHIO ENGINEERING CONFERENCE
MARK YOUR CALENDAR
June 13-15, 2024

The Ohio Society of Professional Engineers (NSPE-Ohio) is proud to present its annual All-Ohio Engineering Conference.

Thursday and Friday, June 13 and 14, are filled with **12 virtual CPD hours** -- interesting and timely educational programs specifically designed for Ohio's Professional Engineers. The 12 hours of seminars include 2 hours of ethics.

Saturday, June 15 features in-person meals, meetings and social activities. Join us at the **Embassy Suites Columbus Airport** where we will host our annual Awards Luncheon to honor the 2023-2024 NSPE-Ohio & EFO engineering award winners and student award winners from Imagine Engineering, Ohio MATHCOUNTS & Scholarships! Following lunch, NSPE-Ohio and EFO will also host their Annual Member Meetings and a joint Installation Ceremony. We will conclude our program with a relaxing & celebratory Year-End Dinner in the Greater Columbus area.

Legislative Update

Our OSPE lobbyist has suggested that our members take a few moments and introduce themselves to their elected legislators. A personal, hand-written or typed letter means much more than a form letter with our name and address added. It's important for us to get to know our legislators, whether we voted for them or not, because, like it or not, they represent US. We can be an asset to them on issues important to professional engineering and other topics of interest to us. It's important for us to develop professional relationships with as many of our elected representatives as we can.

Membership & Tax Deduction

OSPE Associate membership dues include membership in OSPE and your local chapter, and the \$25 annual subscription cost of Ohio Engineer magazine. OSPE dues are not deductible as a charitable contribution for federal income tax purposes but may be deductible as an ordinary and necessary business expense. OSPE estimates that 23 percent of your Ohio dues is not deductible because of OSPE's lobbying activities on behalf of its members. Pursuant to the Internal Revenue Code, this percentage of your dues is not deductible. Please consult your tax advisor for details.
